Next Steps:

In life, we're either taking steps toward Jesus or away from Him. Where are your steps taking you? God desires to lead you. He will lead you to a saving, heart knowledge of His Son, Jesus Christ. God will continue leading you through life (if you'll follow). What are your next steps? Serving the community? Becoming part of this body of believers? Going on a mission trip? Volunteering in ministry projects? Whatever your next step may be, trust God to make His way known to you. At that point you have a choice, follow or walk away.
